- Developer
- Development consultant

Pre-requisitos

Básicos

- Programming experience in another programming language

Cursos basados en versión de software

- ECC6.0 EHP8 SP00/NW 7.5 SP01

Notas

- Participants must work through [TAW10](#) and also the e-learning TAW11e (or equivalent courses) prior to attending [TAW12](#).
- In order to be properly prepared for the certification exam after [TAW12](#), participants need extra hours of self-study after completing all the essential and recommended classes.
